

Short profile

Andrea Pollak – born in 1959 – studied at the University of Economics and Business Administration in Vienna where she graduated in economics and business administration with a master and in personnel economics and human resources management with a PhD.

She started her career in the finance sector at the Oesterreichische Kontrollbank AG, followed by the Finanzierungsgarantie-Gesellschaft m.b.H. (nowadays Austria Wirtschaftsservice GmbH) and Creditanstalt Investment Banking AG.

In 1994 she moved to the industry where she gained more than 15 years experience in leadership and international top management positions, first at Weidmüller GmbH/Klippon Elektrotechnik GmbH in Vienna (a company group in trading and assembling electrical and electronical components) and from 1997 onwards in the chemical industry at Royal DSM N.V., out of which three years in China and in the Netherlands.

Since 2009 Andrea Pollak is pursuing consultancy and investment activities and holds membership positions in Advisory and Supervisory Boards.

Her focus areas are General & Strategic Management, Finance & Accounting, Controlling, Human Resources as well as Organization & Organizational Development.
